It’s dinner time! Mike and Lily have been playing outside and are hungry. Help them get to dinner by washing their hands first!

**Step #1**
Wet your hands with warm water, then add soap.

**Step #2**
Rub your hands together for 20 seconds, the length of two choruses of the Happy Birthday song!

**Step #3**
Rinse your hands clean with warm water.

**Step #4**
Dry with a clean towel. Now you’re ready to eat!
